Thank you for the above application.

Our decision

We are pleased to inform you that we have granted your application to become a licensed sponsor under the Skilled Worker immigration route, and you have been given an A rating.

Your sponsor licence includes any branch or site addresses that were provided with your application. Please note: we have not included any branch or site where the full UK address was not provided.

Your organisation name and rating as a licensed sponsor will be published on the relevant Register of Sponsors. See related link:
<https://www.gov.uk/government/collections/sponsorship-information-for-employers-and-educators>

Your licence start date and end date (the last day before it expires) is displayed on the 'Licence summary' screen in your sponsor management system (SMS) account.

Advisory Note:

Please ensure you are up to date with our guidance in the following areas:

Paragraph C1.9 Your duties as a licensed sponsor include:

- reporting duties
- record-keeping duties
- complying with our immigration laws, including all parts of the Worker and Temporary Worker sponsor guidance
- complying with wider UK law • not engaging in behaviour or actions that are not conducive to the public good

Your allocation for Skilled Worker

The maximum number of Skilled Worker certificates of sponsorship (CoS) you can issue is 1.

Please note you can request additional CoS via the SMS system at any time providing:

- Full job description(s)
- SoC codes.
- Full migrant worker details

If there is insufficient information in your justification for us to make an informed decision, your request will not be granted.

If you assign any Skilled Worker CoS to a migrant worker for a job that does not meet the Skilled Worker requirements on skill level and appropriate rates of pay and/or where there is no genuine vacancy, we will take action against you.

Defined Certificates of Sponsorship (DCoS)

Where you are wanting to assign a certificate of sponsorship to a skilled worker applying for a visa from outside of the UK, you must make an application for a DCoS.
